

## Case Study - The Bromfords School Dining Room Refurbishment

The Bromfords School, Wickford recently awarded Talis Projects the works to carry out a refurbishment of their School Dining Room & Servery areas.

- Planning & Design to make the school dining room facilities more contemporary, time efficient and an enjoyable place for both students and staff.
- Repositioning of the cashier positions to enable more effective use of the servery area, together with new modern servery lighting.
- New Lighting/Electrical works.
- Modern use of colour when decorating the walls has given the whole dining area a more contemporary feel.
- Working with our client to plan an efficient furniture layout with new mobile dining tables, using a blend of both circular and rectangular shapes to enable effective use of space and seating for up to 228 persons.

'We have had the pleasure of dealing with TalisProjects for several years now. The company has always provided excellent service and value for money. They are always a pleasure to deal with, nothing is too much trouble. The refurbishment of the student canteen was a total success as always.'

## Case Study – The Bromfords School Library Refurbishment

Talis Projects were delighted to secure the works to carry out an extensive Refurbishment Programme for The Bromfords School Library.

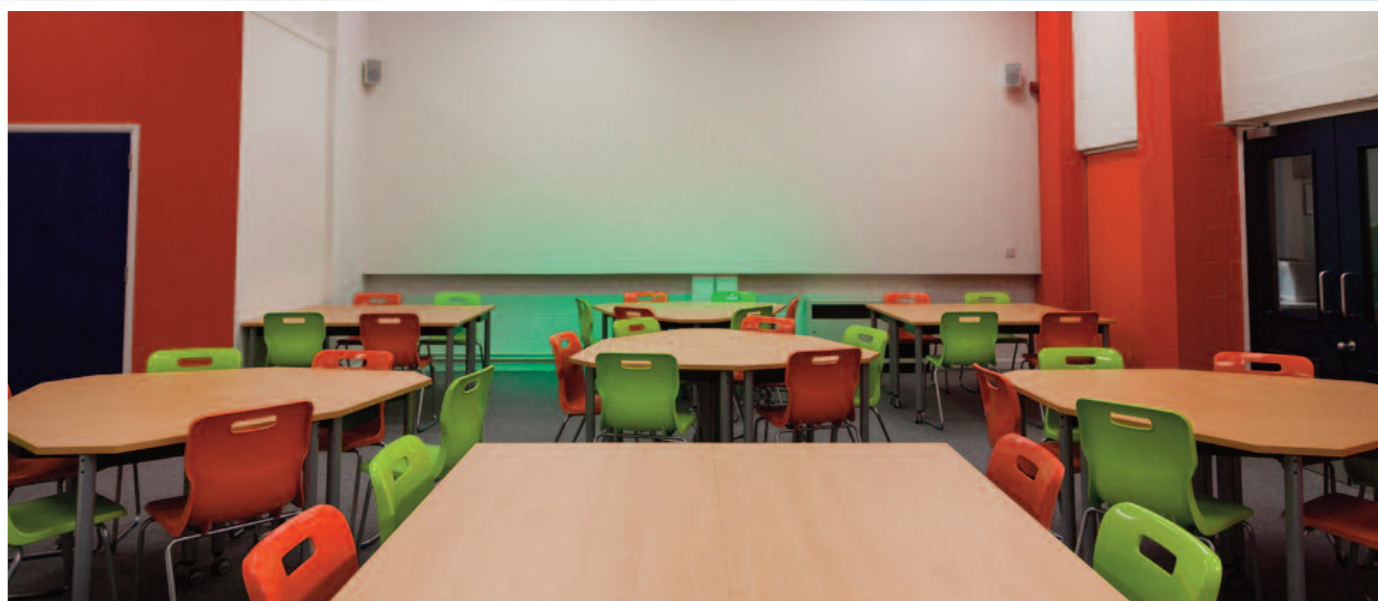

Our many years of experience working within the educational sector, ensured that with careful programming we completed the works successfully within the tight timescale.

- Planning & Design to transform the library into a more contemporary and efficient learning environment for students.
- The design and installation of a new Retractable Seating system which will ensure the School's drama productions are available to a wider audience and viewed in comfortable, professional auditorium style seating.
- The Design, Supply and Installation for a new Stage Lighting system.
- Planning and design for new ceiling lighting with acoustic rafts which were then suspended to assist from above.
- Contemporary decoration with effective use of colour to Walls etc.
- New flooring throughout.
- Supply and installation of contemporary Window Blinds.

New mobile library tables and chairs, whilst in keeping with the modern feel, very importantly still offering a flexible, practical and effective layout for both teachers and students alike.

*"We always find TalisProjects to be very professional and responsive, they understood our ideas and were very inspirational with their flare, imagination and design of the new Library. This is now the talking point of the school and an inspiring place for students to learn."*
