## Case Study – Rowan International, Basildon

Basildon based Rowan International, a successful and expanding local company approached Talis Projects, looking for a design and build package to radically remodel their Staff break out area.

The new space was to offer a relaxing oasis for their valued staff to move to away from the traditional office environment and incorporate areas for informal meetings and presentations.

Designs, samples and colour boards were provided and agreed.

The works covered the below key areas ;

- Bespoke Joinery with Specialist Glass Splashbacks
- Multi-level Plasterboard ceiling with concealed feature light pelmets.
- Contemporary Feature Wall Panels
- Designer wall coverings
- Bespoke Table and Bench Seating
- Comfort Low level and Practical Dining Furniture
- Premium hot beverage and chilled drink facilities
- Axminster , Hardwood and Amtico floorcoverings
- Feature Lighting
- Contemporarily Artwork

As always, the works were completed to budget and on time, with minimal snagging.

# Case Study - Rowan International Office Refurbishment

Basildon based Residual Product management specialists , Rowan International awarded us the contract to undertake the refurbishment of their Reception Area and adjacent toilets , as well as installing a new Shower Room , upgrading the staircase balustrades , replacing all floor-coverings and decoration of the entire building , including aluminium window frames and the lift cart.

We employed state of the art painting and spraying techniques, utilised contemporary design classics along side bespoke furniture solutions to achieve the desired finish.

Careful programming , extensive out of hours working and ensuring all working practices were maintained ensured Rowan International suffered no interruption of business during these potentially intrusive works

*"We have used the services of Talis Projects over a number of years and for a variety of assignments. We have always found them to be reliable and competitive and would have no hesitation in recommending them. The most recent assignment was the upgrading of our head offices, this involved replacing all the carpets, the total redecoration of all areas and modernising the toilets. All the work was carried out with minimal disruption by working outside our office hours when necessary "*
