

When Businessman of the Year, Dino Forte, approached us, to refurbish an adjacent wing to his current premises, the brief was simple.

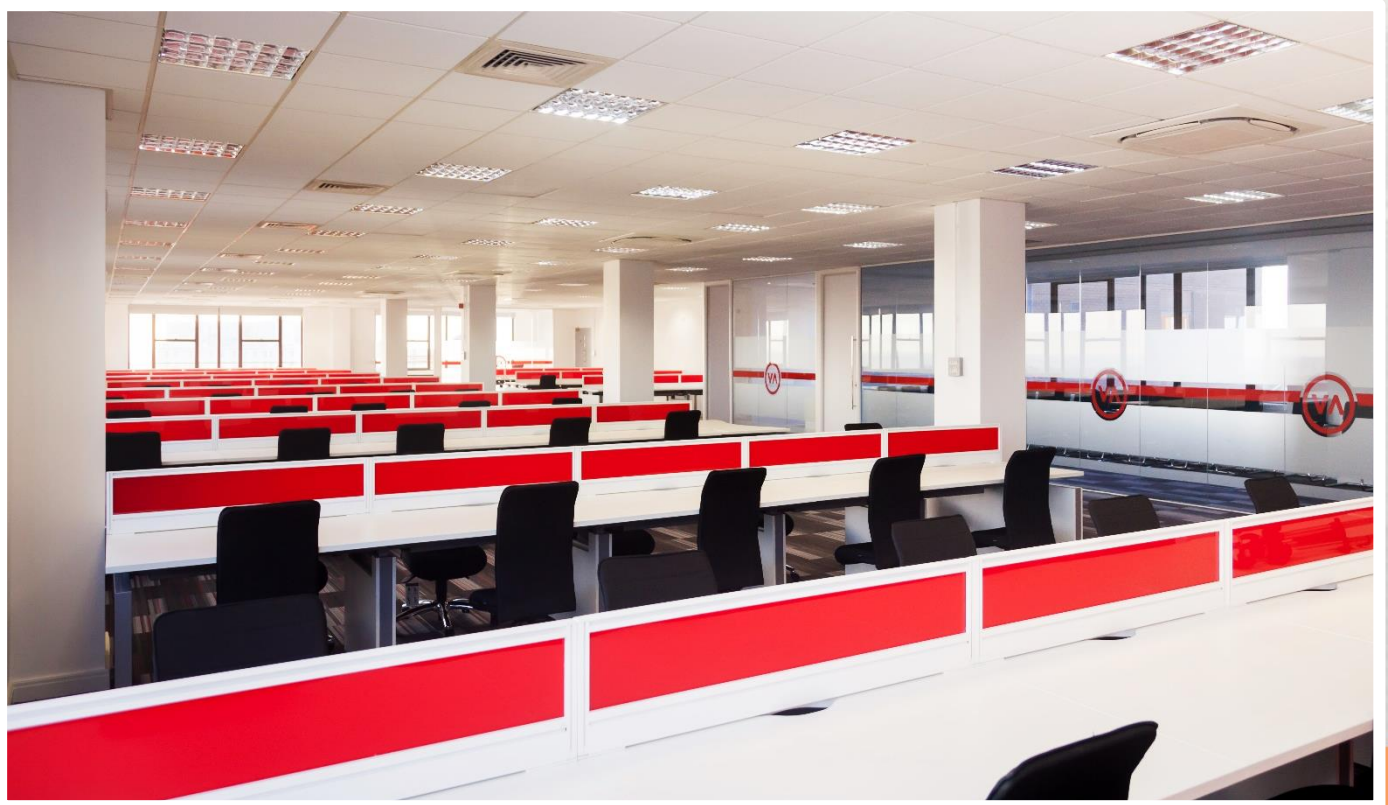

The new wing was to promote expansion for Ventrica and the fit out was to reflect its core values.

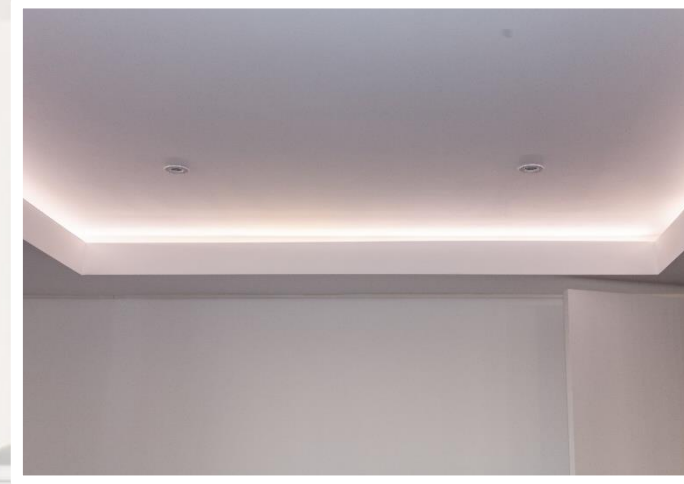

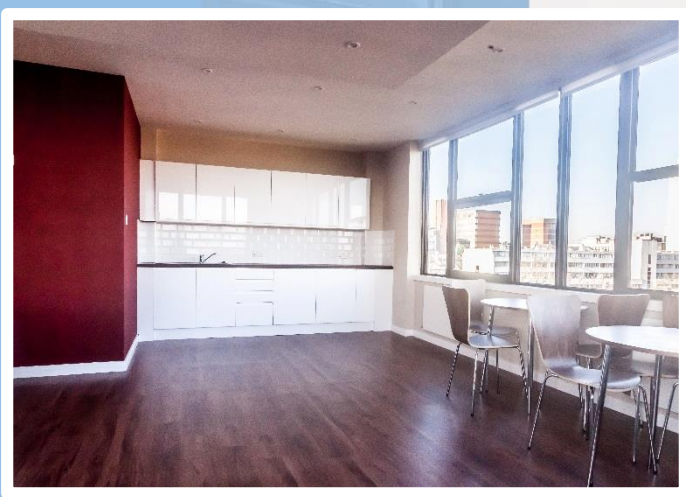

The space was to demonstrate Ventrica's modern and dynamic attitude, potential for growth and to help deliver the world class service that was its foundation.

We delivered the project on time and on budget. Key elements of this prestigious contract were;

- Space-planning and Design Services
- New Breakout and Kitchen Facilities and Furniture
- New Executive Offices and Furniture
- Glass Partitioning
- Floorcoverings
- Cable Managed Bench Style Workstations
- Mesh Back Task Chairs
- Lockers
- Decoration
- Acoustic Ceiling Tiles
- Dropped Plasterboard Feature Ceilings
- Bespoke Training Room Tables with Cable management
